# Introduction

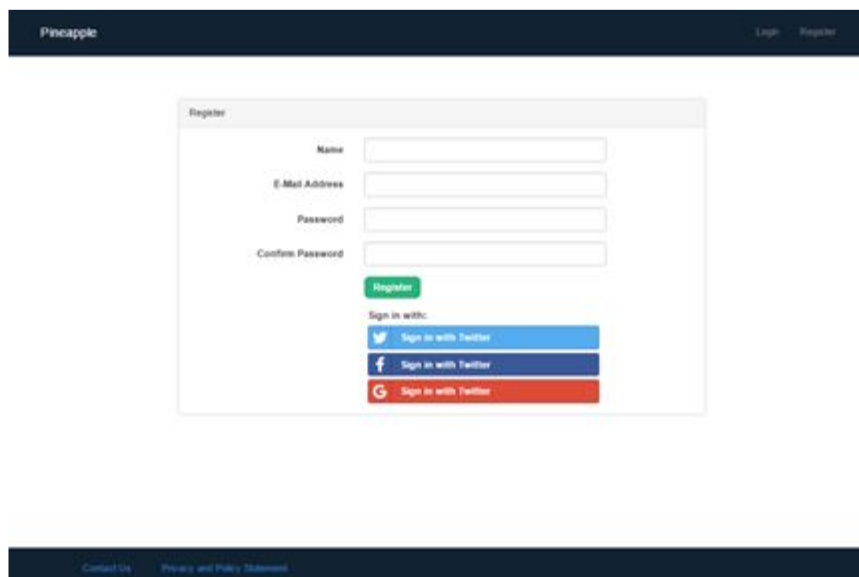

This user manual will show how the users can interact with our web application. Throughout this document, the structure of the website is explained alongside illustrated screenshots to help guide users in using the application.

# User Login

Step 1: To register click the register button,  
or to login click the login button [which leads to step 3]

Step 2: Fill in the blanks with correct information and then click register button

The image shows the registration form on the Pineapple website. The form is a white box with a light gray border. At the top left of the box is the word 'Register'. Inside the box, there are four input fields: 'Name', 'E-Mail Address', 'Password', and 'Confirm Password'. Below these fields is a green 'Register' button. Under the 'Register' button, there is a section titled 'Sign in with:' followed by three buttons: 'Sign in with Twitter' (blue), 'Sign in with Facebook' (dark blue), and 'Sign in with Google+' (red). The form is set against a dark blue background that also contains the 'Pineapple' logo and 'Login Register' links at the top, and 'Contact Us' and 'Privacy and Policy Statement' links at the bottom.

Step 3: To login click the login button then type email and password and click the login button.

Or you may reset your password, by clicking the forgot your password button.

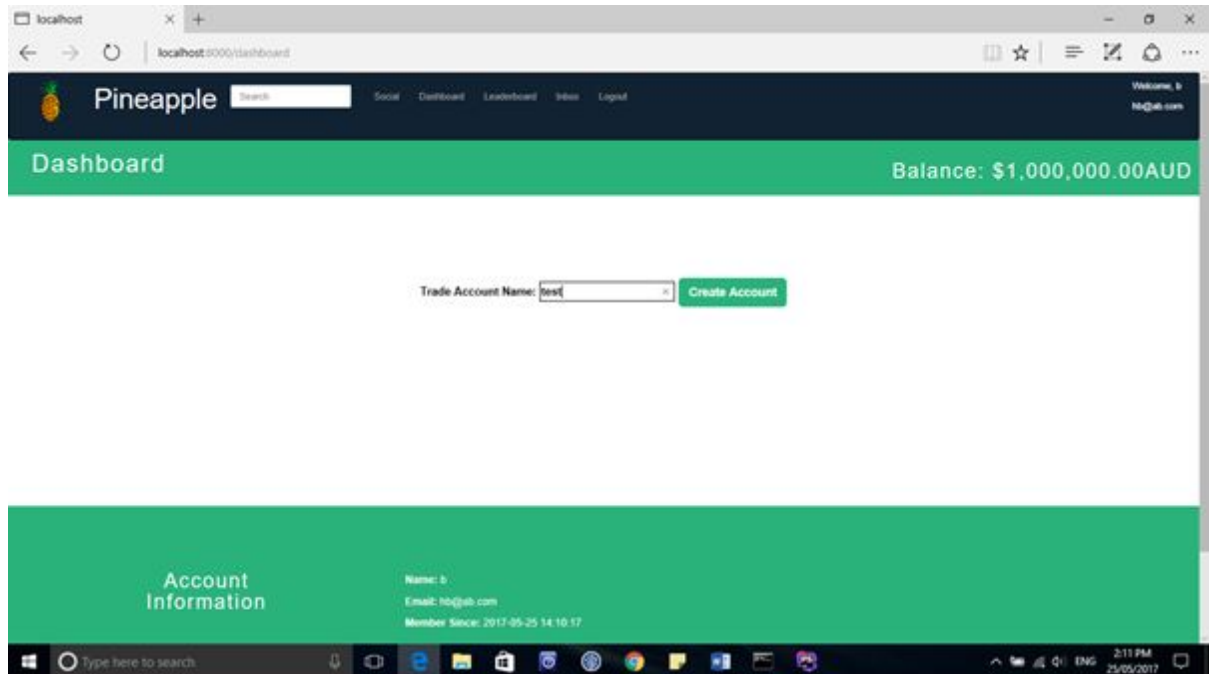

The screenshot shows the Pineapple application interface. At the top, a dark blue header contains the 'Pineapple' logo on the left and 'Login' and 'Register' links on the right. Below the header, a light gray box titled 'Login' contains two input fields: 'E-Mail Address' with the value 'jabe@jabe.com' and 'Password' with the value 'aaaa'. Below these fields is a checkbox labeled 'Remember Me' and a green 'Login' button. To the right of the 'Login' button is a link that says 'Forgot Your Password?'. Below the 'Login' box, a dark blue footer contains links for 'Contact Us' and 'Privacy and Policy Statement'.

Step 4: To reset password enter your email address then click send password reset link button. Upon receiving an email the user will be able to go to a webpage to re-enter their new password.

The screenshot shows the Pineapple application interface for password reset. At the top, a dark blue header contains the 'Pineapple' logo on the left and 'Login' and 'Register' links on the right. Below the header, a light gray box titled 'Reset Password' contains an 'E-Mail Address' input field. Below the input field is a green button labeled 'Send Password Reset Link'. Below the 'Reset Password' box, a dark blue footer contains links for 'Contact Us' and 'Privacy and Policy Statement'.

# Create Trade account

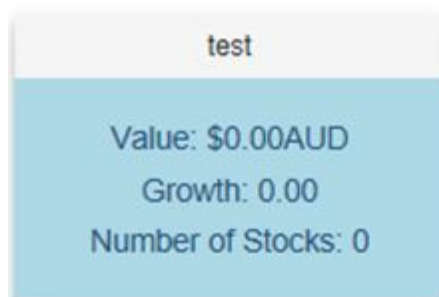

Step 1: Once you have successfully logged into the dashboard. The balance is located at top right corner

Step 2: To create a test trade account type the name into the field and then click create account
