Introduction

This user manual will show how the users can interact with our web application. Throughout this document, the structure of the website is explained alongside illustrated screenshots to help guide users in using the application.

User Login

Step 1: To register click the register button,
or to login click the login button [which leads to step 3]

Step 2: Fill in the blanks with correct information and then click register button

A screenshot of the Pineapple website registration form. The form is titled 'Register' and is located in the center of the page. It has a white background with a thin grey border. The form contains four input fields: 'Name', 'E-Mail Address', 'Password', and 'Confirm Password'. Below these fields is a green 'Register' button. Underneath the button, there is a section titled 'Sign in with:' followed by three social media login options: 'Sign in with Twitter' (blue button), 'Sign in with Facebook' (dark blue button), and 'Sign in with Google' (red button). The form is set against a dark blue header and footer. The header contains the 'Pineapple' logo and 'Login' and 'Register' links. The footer contains 'Contact Us' and 'Privacy and Policy Statement' links.

Step 3: To login click the login button then type email and password and click the login button.

Or you may reset your password, by clicking the forgot your password button.

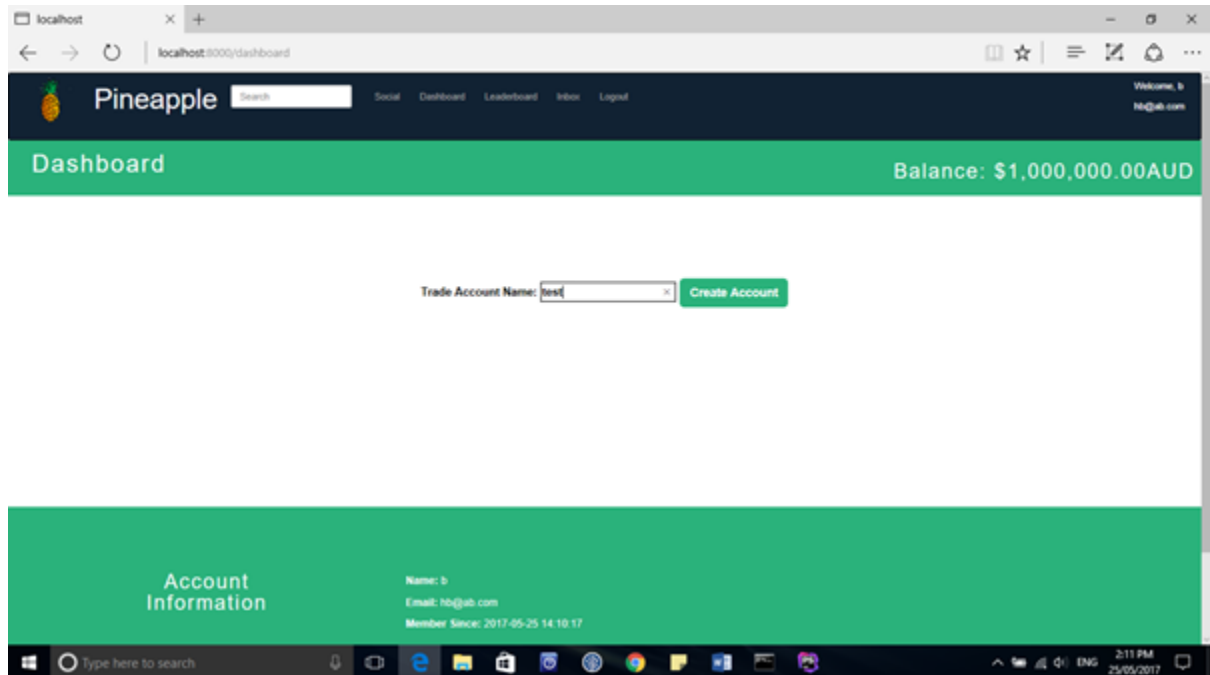

The image shows a login form titled "Login". It has two input fields: "E-Mail Address" with the value "abe@abe.com" and "Password" with the value "xxxx". Below the password field is a checkbox labeled "Remember Me". At the bottom, there is a green "Login" button and a link "Forgot Your Password?".

Step 4: To reset password enter your email address then click send password reset link button. Upon receiving an email the user will be able to go to a webpage to re-enter their new password.

The image shows a form titled "Reset Password". It has one input field labeled "E-Mail Address". Below the field is a green button labeled "Send Password Reset Link".

Create Trade account

Step 1: Once you have successfully logged into the dashboard. The balance is located at top right corner

Step 2: To create a test trade account type the name into the field and then click create account
